

Library As Learning Resources

SETH R. C. S. ARTS & COMMERCE COLLEGE, DURG (C.G.)

Library as Learning Resources

Library of RCS College function as the leading information resource centre and is a treasure house of books, journals, magazines, newspapers, and e-resources for staff and students facilitating activities in the institution. Other than text books, the library houses growing collection of reference books, journals, magazines, periodicals, dictionaries, rare books and encyclopaedias, etc. Likewise, the library facilitates access to a number of e-journals and e-books through NLIST. The primary aim of the library is to support the students of our institution for knowledge enhancement. The collection of the library includes Books, Journals, Magazines, Question Bank, Newspapers and rich collection of all the streams. The Bar-coding technology is adopted with the software to speedup the circulation process. It is known for its collection of rare and old edition books in different subject areas. It has also made provision for students to refer old question paper banks for preparing for examination. The students are able to borrow books for the entire length of the semester to help them in their study. The issues and returns of study material is recorded in the register and is also done through software. The information, which the faculty and students are getting from the books in the library, is being utilized in different aspects like the continuation of research work in their respective fields, presenting papers in seminars, publishing their work in journals, etc. Library is equipped with Wi-Fi, Internet and Reading Room Facility. The Institute installed Integrated Library Management System (ILMS) in the year 2020. The various housekeeping activities of the library such as data entry, issue and return of books, etc are done through the software. The College has subscribed N-LIST to access e-resources for students, researchers and faculties of the college.
